Pole tool

Manufacturer's warranty

Hilti warrants that the tool supplied is free of faults in material and workmanship. This warranty is valid so long as the tool is operated and handled correctly, cleaned and serviced in accordance with the **Hilti** operating instructions and the technical system is maintained. This means that only genuine **Hilti** consumables, components and spare parts may be used in the tool.

This warranty provides the free-of-charge repair or replacement of defective parts only over the entire lifespan of the product. Parts requiring repair or replacement as a result of normal wear and tear are not covered by this warranty.

Additional claims are excluded, unless stringent national regulations prohibit such exclusion. In particular, **Hilti** accepts no liability for direct, indirect, incidental or consequential damages, losses or expenses in connection with, or by reason of, the use of, or inability to use the product for any purpose. Implied warranties of merchantability or fitness for a particular purpose are specifically excluded.

For repair or replacement, send the tool or appliance or related parts immediately upon discovery of the fault to the address of the **Hilti** marketing organization responsible.

This constitutes **Hilti**'s entire obligation with regard to warranty and supersedes all prior or contemporaneous comments and oral or written agreements concerning warranties.
